## WAR TAX LAW TO STAY

Mr. Kitchin, House Leader, Makes Formal Announcement

WILL PRODUCE REV-

enue Until After the Holidays

Washington, Dec. 10.—After a conference with Secretary McAdoo, Chairman Kitchin of the committee on ways and means announced that the Democrats would put through Congress before the Christmas recess a bill to continue the expire by limitation Dec. 31. This is estimated to raise more than \$80,000,000 annually. Mr. Kitchin said the repeal of the free sugar clause of the Underwood tariff law might be considered at the same time, although it has been understood that the administration's general revenue measures might not be taken up until after the holidays. The emergency tax haw probably will be extended for a year. There is no necessity for immediate action to keep the duty on immediate action to keep the call the action of the persident walking the ports of what is taking place for a year. There is no necessity for immediate action to keep the duty on raw sugar as, under the Underwood law, v.'s, for they secured three baskets from the land tolls. Yesterday he started off early, message No. 1 read-

a conference between the shippers, Mr. ney played well for the local team.

Alexander, Secretary Redfield, of the The summary: department of commerce, and other gov ernment officials. Since the law b came effective on Nov. 5, the shippe said their operations, especially of sma vessels, had been seriously hampered Secretary Redfield asked that the com-plaints be submitted in writing with rec-ommendations as to desired changes When this is done, if the changes ar regarded as justified by the department legal officers, they will be incorporate by Representative Alexander into a bi for introduction into Congress

## CONTINENTAL ARMY

President Wilson, Secretary Garrison and Chairman Hay of House Committee

Washington, Dec. 10.—The administration plan for a continental army of 400.

1000 men was embodied yesterday formally in a bill upon which President Wilson, Secretary Garrison and Chairman Hay of the House military committee have agreed. Chairman Chamberlain of the Senate military committee also has drafted a bill, and both measures will be sub-feed a bill, and both measures will be a better to be approved by the faculty, and a bill and better to be made, and a bill and a bill and better to be approved by the faculty, and a bill a bill and better to be made. Manager Cowles is negotiating for games with Columbia and Amherst to fill in the open dates on the schedule. Syracus will be met for the first time, while the bear of the columbia and Amherst to fill in the open dates on the schedule. Syracus with Columbia and Amherst to fill in the open dates on the schedule. Syracus with Columbia and Amherst to fill in the open dates on the feed his agents in Copenhagen to present the feed bills agents of Cope ed a bill, and both measures will be sub- after an absence of several years. mitted informally to the committees and later introduced as committee measures that there may be no partisanship in volved. The bill prepared yesterday fol-lows closely the administration plan as previously announced.

## Hot Water for Sick Headaches

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind, is eaused by wuto-intoxication-which means self-pois Liver and bowel poisons called taxins, sucked into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head, producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauscute you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoor

If you aren't feeling your best, if very reasonable cost,

Results are quick and it is claimed ment of commerce going into details, morning the gray hair disappears, and atomach, lives and howels every morning which bulletin was forwarded to every after another application or two, your steimels, liver and bowds every morning turrer leave any louduche or know a minerable summent, -Adv.
